

SIT ST-AVOLD NURSERY

Adding colors to your life

A wide variety of trees, shrubs and ground covers are available to fit in your landscaping needs. New varieties are also continuously being introduced and reproduced to market same to the landscapers and the public.

We have a sympathetic team at St-Avold to assist you in enhancing your garden.

You may contact our sub office at Britannia on **626 5516** for any query regarding the plant nursery or send us an email on nursery@sit.mu.
